

Opus Global Group

Global Strategy and Management Consulting

Client Testimonials

"The OGG Business Advisors created unique insights into our finance, operations and technology valuation and integration strategies for our M&A pre/post merger. Our target merger involved complex strategic valuations of financial significance that could have negatively impacted our capital return on investment in the hundreds of thousands."

Managing Partner, Private Equity Firm

"We entrusted Opus Global Group to manage our mission critical IT PMO. With OGG's IT specialist, we were able to enhance our IT service delivery model with higher utilization rates while significantly reducing our total cost of ownership!"

Vice President, Fortune 500 CPG Company

"We decided to call OGG to design and implement our company performance management scorecard. OGG identified new areas of optimal business performance linked to our financials to achieve a global operational improvement with benchmarking KPI's."

CEO, Fortune 1000 Life Sciences Company

"It gives me great pleasure to tell you how much I have enjoyed working with Opus Global Group and the wonderful team. I am impressed with the effort you and your team made to understand our IT problems and to design a solution. Your team helped me understand the issues and the proposed solution. The Opus Global Group team made it easy to work remotely from USA and I plan on using your services for a very long time."

CIO, EMEA Mid-Market Electronics MFG

"OGG IT specialists and their program managers have always exhibited a can do attitude and a willingness to think "outside of the box", this, along with their professionalism, has assisted us to develop our links with our customers. OGG IT consultants have added value at all stages of our relationship."

CIO, LatAm Mid-Market Device MFG

"Opus Global Group redesigned the global supply chain, carrier contracts with their performance management consultants that streamlined our total cost of ownership, accelerated cash flow, while consolidating our carriers and vendors portfolio. Their strategist integrated all of our global shipping systems to interface with our ERP accounting systems to provide master data elements on our global dashboard."

President, Fortune 100 Medical Devices MFG
