Opus Global Group

Accelerate Your Business Performance

"We entrusted Opus Global Group to manage our mission critical IT PMO. With OGG's IT specialist, we were able to enhance our IT service delivery model with higher utilization rates while significantly reducing our total cost of ownership!"

Vice President, Fortune 1000 CPG Company

"We decided to call OGG to design and implement our company performance scorecard. OGG identified new areas of optimal business performance linked to our financials to achieve a global operational improvement with benchmarking KPI's."

CEO, Fortune 100 Life Sciences Company

"It gives me great pleasure to tell you how much I have enjoyed working with Opus Global Group and the wonderful team. I am impressed with the effort you and your team made to understand our IT problems and to design a solution. Your team helped me understand the issues and the proposed solution. The Opus Global Group team made it easy to work remotely from USA and I plan on using your services for a very long time."

Devi Purra

CEO, VIP Developers

"The OGG Business Advisors created unique insights into our technology valuation and integration strategies for our M&A pre/post merger. Our target merger involved complex strategic valuations of financial significance that could have negatively impacted our capital return on investment."

Vice President, Premier Mid-Market Retailer

"Opus Global Group has constantly exceeded our expectations with the quality of their people and their professionalism. We started with Opus Global Group with a small team of IT managers, but it has grown into a large team of program managers, architects, developers, and designers, OGG has helped us manage the PMO Corporate wide has been a very successful process which has allowed us to scale our operations. The team has managed to always meet project time lines and has helped us drive the desired results by constantly adjusting the level of resources needed. I would like to recognize OGG as a trusted business partner."

"We have found OGG to be flexible, IT Strategic consulting superior and most importantly strictly dedicated to our company. I find the entire OGG team, especially their owners, to be available and really understand our customers' needs and desires for challenging IT technology and business performance. I highly recommend OGG to all those who need a outsource partner with depth, breadth and a competitive cost structure."

Galit Kornwald

COO, Lux Productions

"I am extremely pleased with the progress we have made in all areas of our BPM engagement. It has been a pleasure to work with the consultants and specialists, who do not treat our company as another client, but actually take ownership of the task at hand and have it resolved. In addition, the cost reductions and operational optimization that are offered by our sourcing to OGG cannot be matched had we done this internally."
